

SECURE LIFETIME INCOME

Income payment dates

All Secure Lifetime Income (SLI) will be paid to the SIPP on the first of each month (or the first working day before if that falls on a weekend or UK Bank Holiday).

The table below shows the dates when the completed application needs to be submitted so that your client receives their first income payment the following month. We need to receive both the application and purchase price on or before the dates listed below in order to process the income payment by the first of the next month. It usually takes your SIPP provider three working days to transfer the purchase price to Just.
